JOHN H. CHOI, D.D.S.		:	ORDER OF SUMMARY SUSPENSION
License No. 22DI02083100	:		
		:	
LICENSED TO PRACTICE DENTISTRY	:		
<u>IN THE STATE OF NEW JERSEY</u>	:		

This matter was opened to the New Jersey State Board of Dentistry ("Board") upon receipt and review of the following information:

1. John H. Choi, D.D.S. ("respondent"), License No. 22 DI 02083100, was initially licensed to practice dentistry in this State on September 21, 1999.

2. Respondent did not renew his license to practice dentistry prior to its expiration on October 31, 2003, and has not renewed or attempted to renew his license since that time.

3. On April 6, 2010, by way of a Stipulation Settlement and Disciplinary Order, Accusation No.: DBC 2008-106, the Dental Board of California, Department of Consumer Affairs, revoked respondent's license to practice dentistry and his general anesthesia permit. The entire period of respondent's revocation is stayed and

respondent was placed on probation with conditions for three (3) years.

5. Respondent's failure to renew his license for the biennial registration period November 1, 2003 through present, resulted in a lapsed license status and provides grounds to automatically suspend respondent's license to practice dentistry in the State of New Jersey pursuant to N.J.S.A. 45:1-7.1(b).

ACCORDINGLY, IT IS on this 10th day of August, 2011,

ORDERED THAT:

1. Respondent's license to practice dentistry in the State of New Jersey shall be, and hereby is, suspended by operation of N.J.S.A. 45:1-7.1, without a hearing. Any practice of dentistry during the period in which he does not hold an active license shall be deemed the unlicensed practice of dentistry and shall subject respondent to disciplinary action.

2. In the event that respondent seeks reinstatement of his New Jersey license, he shall appear before the Board or a committee of the Board: to establish that he is fit to practice dentistry in this State; to provide information concerning the revocation of his license in California; and to demonstrate to the Board's satisfaction that he holds an active, unrestricted license to practice dentistry in California. The Board reserves the right to deny reinstatement, take disciplinary action and place restrictions

and/or limitations upon respondent's license to practice dentistry
in the State of New Jersey.
